Message from the Dean

Dear Class of 2022,

Congratulations on your graduation! You have demonstrated that you are prepared to make an impact in business, and I am so honored to welcome you into alumnihood.

It is always rewarding to hear of your accomplishments while you are a student but even more gratifying to see how you will create your own path after graduation. Just as you have done during your time at the Wisconsin School of Business, I have no doubt you will continue to make us proud, each in your own way.

You are joining a network of Business Badgers around the world who are trusted to lead because of their unique blend of Midwestern values and global influence. I am confident the companies, organizations, and communities you'll be joining after graduation will be better because of your contributions.

Congratulations! You are the next generation of business leaders.

On, Wisconsin!
